CORNER EIGHTH AND NORTH E STS.

--- W. F. THOMAS, Proprietor.

DIRECTORY is the key that opens the gate of knowledge to the importance of a city. I have the pleasure of presenting to my patrons this, my first Directory of Richmond and Wayne county, and I trust that upon examination it will prove satisfactory. The compiling of a Directory is always a task of no mean magnitude, and peculiarly susceptible to errors; but I have brought to this work the experience of several years in other and larger cities, and have conscientiously endeavored to make this work a faithful index. I intend to renew the Directory in 1892, when it will be more extended and varied in its contents.

Trusting that my first work is of such a character as will induce you to retain your patronage for me in 1892, I remain,

Yours, truly,

CHAS. EMERSON.

A NEW WAY OF APPLYING AN OLD REMEDY.

PATENTED DEC. 28, 1886.

By which a mild but constant ELEC-TRIC current is passed THROUGH any dis eased part, thus quickly relieving pain, puritying the blood and permanently curing both male and female derange-ments, rheumatism, kidney and bladder troubles, nervous prostration, and other chronic maladies. Hundreds cured here in Richmond alone. Call on, or Hundreds cured write to

DR. J. CHARLES.

No. 32 SOUTH TENTH STREET, for illustrated book free, giving full particulars.

# EARLHAM . COLLEGE.

During the last two years two new college buildings have been completed at a cost of \$80,000. These are large, commedious, and thoroughly modern in arrangement and equipment. The college now occupies four buildings in all, and its campus is one of the finest in the West.

Additional departments of study have been created and placed under charge of scholarly specialists. The Faculty consists of eighteen instructors.

Six regular College Courses, of four years each, are provided.

Liberal Provision is made for

#### ELECTIVE STUDIES.

The Chemical Laboratory in Parry Hall is equipped in the most approved manner for both qualitative and quantitative analysis, and accommodates forty-four (44) students at the tables at one time. Two full years' work may be taken in Chemistry.

The Miological Laboratory in Lindley Hall has a large out it of Bausch and Lomb compound microscopes and accessory apparatus. Students who desire to pursue Biology as a specialty are offered four terms' work in the Laboratory.

In the Department of Physics, special attention is given to Laboratory work in Electricity. The Cabinets of Geology, Mineralegy, Botany. Archeology, and Natural History, are already among the best in the country, and are constantly growing. They furnish superior opportunities for work in those departments.

Good working Libraries are provided for all departments of the College.

An Observatory affords excellent facilities for the practical study of Astronomy. Students in Surveying have extensive practice with instruments in the field.

The courses of study in Ancient and Modern Languages are liberal and thorough. Students may have three years' work in German, two years in French, and one year in Anglo-Saxon. The work in Greek and Latin is equivalent to that offered in the best colleges in the country.

Eleven terms' work is provided in History, Political Economy and the Science of Government. Provision is made for seven terms in English Literature. Rhetorie, and Logic.

A regular graded drill in Electrical runs through six terms. No college in the country has better Literary Societies. Their halls are large and elegantly furnished.

A special department of Miblical Instruction, extending through two years, offers special inducement to young men and women who are called to the ministry, Missionaries, and hable teachers.

A Business Department offers first-class practical work in Book-keeping, Penmanship, German, Short-hand, and Type-writing.

The departments of Painting, Drawing, and Music are provided with large, well-farnished rooms and thoroughly competent instructors.

A two years' Preparatory Course fits students for Earlham add other colleges,

The English Academy Conese offers special advantages to students who are preparing to teach in public schools.

The religious, moral, and social influences at Eartham College are of a high order.

A large, comfortable, and well-ordered home for students who desire to board within the college, is maintained under the management of a contpotent superintendent and matron.

#### THE EXPENSES IN ALL DEPARTMENTS ARE MODERATE.
